Subject: Financial Times: tell us what you think

Dear Barak

We regularly invite our readers to tell us what they think about the Financial Times so we can improve the content and services we provide. Please take our Annual Customer Survey and let us know how we're doing.

These surveys are important to us; your feedback helps us to monitor our performance and keeps our investment priorities in line with what our readers want.

This short survey should take no longer than 5 minutes to complete.
